

# Worry-free travel with every mile you drive

**Rental Reimbursement:** We will reimburse **You** up to fifty dollars (\$50) per day when a **Breakdown** covered by this contract results in **Your Vehicle** being inoperable and kept overnight. **We** provide up to six (6) days for a maximum of three hundred dollars (\$300). **We** will pay for rental expenses only while **Your Vehicle** is being repaired by an authorized repair facility. **You** must rent the vehicle only from the repair facility or licensed rental agency, and **You** must have verifiable receipts. No **Deductible** applies to this benefit. This benefit is not payable if **You** have other substitute transportation coverage available.

**Towing:** We will reimburse **You** up to a maximum of one hundred and fifty dollars (\$150) per occurrence for actual towing charges which are in excess of any applicable reimbursement from the manufacturer, auto club, or insurance company. No **Deductible** applies to this benefit. The above is not payable if **You** have other towing coverage available, unless the towing charge exceeds the other coverage.

**Road Service/Service Call:** Service benefits are payable to **You** up to one hundred dollars (\$100) per occurrence. Benefits are payable for fluid delivery, extrication assistance, battery start service, flat tire mounting assistance, and lock-out service. This service is available on **Your Vehicle** listed in Part I (Proof of Registration) for the entire term of this contract.

**Manufacturer's Deductible:** We will reimburse **You**, up to one hundred dollars (\$100), for the Manufacturer's Warranty **Deductible** less any **Deductible** required under this contract, for any covered **Breakdown** of **Your Vehicle**.

## Protect against major repair expenses

# Travel with Confidence

MasterTech Elite RV is stated Component Coverage which means it will cover the parts listed in the Components below. Please see the sections titled “Noncovered Parts and Services” and “Noncovered Conditions” for exclusions.

## Motor Home Coverage Only

**Gasoline Engine:** All internally lubricated parts including: pistons, piston rings, and pins; crankshaft and main bearings; connecting rods and rod bearings; camshaft and bearings; pushrod; rocker arms; timing chain and gears; tensioner; valves; valve springs; seats and guides; valve pushrods and lifters; followers; oil pump; mechanical and electric fuel pumps; gas fuel injection system; manifolds; flywheel ring gear; flex plate; core plugs; harmonic balancer and bolt; valve covers; timing cover; dipstick and tube; oil pan; vacuum pump; engine mounts; and water pump. The engine block and cylinder heads are covered only if damaged by an internally lubricated part.

**Transmission:** All internally lubricated parts in the transmission case, including: bands, clutch pack, gears, pumps, shafts, shift forks, shift rails, synchronizer, and solenoids. Internal switches, internal linkage, sensors, torque converter, bell housing, vacuum modulator, transmission mounts, transmission pan, cooler lines, transmission control pad, and control module. The transmission case is covered only if damaged by an internally lubricated part.

**Drive Axle:** All internally lubricated parts in the drive axle housing, axle shafts, differential cover, universal joints and yokes, constant velocity and double offset joints, wheel bearings, drive shaft center bearings, retainers, supports, propeller shafts, and locking hub mechanisms. The drive axle housing is covered only if damaged by an internally lubricated part.

**Suspension:** Struts, upper and lower control arms, control arm shafts and bushings, upper and lower ball joints, steering knuckles, spindles and spindle supports, actuators, rubberized suspension components, factory-installed suspension compressor, coil and leaf springs, wheel bearings and seals, stabilizer, shaft, linkage and bushings, king pins and king pin bushings, compressor assembly, air dryer, solenoids, height sensor, air adjustable shock absorbers, airbags, and controller.

**Steering:** Manual and power steering gear housing and all internally lubricated parts, control valve cylinder, rack and pinion, steering column, power steering pump and power cylinder, pitman arm, idler arm, tie rod and tie rod ends, drag link, main and intermediate steering shafts, cooler and couplings. Factory-installed steering stabilizer.

**Brakes:** Master cylinder, power booster, calipers and wheel cylinders, power brake cylinder, combination valve, hydraulic lines and fittings. Hydraulic or electrical brake actuators, backing plates, springs, clips, actuators, metal-only hydraulic tubing and metal fittings, ABS pressure modulator, and accumulator.

**Air Conditioning:** Compressor, compressor seals, compressor clutch, clutch bearing, receiver/dryer, blower fan and motor; high/low cut-off switches and pressure hose assemblies, condenser, idler pulley, field coil, accumulator, evaporator, orifice, and expansion valve.

**Electrical:** Generator or alternator, starter motor and solenoid, voltage regulator, distributor, wiring harnesses, manual switches, windshield wiper motor and washer pump, power window motors and gears, remote control mirrors, window defroster, power door lock actuators, cruise control transducer, electronic ignition control module, sensors, turn signal switch, engine timing control unit, dual battery paralleling switch, backup alarm, automatic temperature control, keyless entry system, power seat motors, and adjusting mechanisms.

**Heating & Cooling:** Water pump, impeller shaft, bearings and bushings, radiator, heater core, fan clutch, fan motor and controller module, cooling fan blades, coolant recovery unit, fan shroud, and electric block heater.

**Fuel Delivery:** Fuel pump, fuel tanks, metal fuel lines, fuel distributor, fuel injection pump, fuel heater, fuel injectors, fuel pressure regulator, fuel lift pump, vacuum assist booster pump, auxiliary tank switch, and electronic fuel mixture control unit.

# Motor Home, Travel Trailer and Pop-Up/Slide-In Camper Coverage

**Hot Water:** Burner assembly tank, thermostat, thermocouple, wiring harness, switches, fittings and connections, control panel, burner assembly, gas valve, electronic ignition assembly, and p.c. board.

**Waste System:** Shower, toilet (except electrical toilets), sink(s), holding tanks, gate valves, and connections.

**Fresh Water System:** Water pump, compressor, water tank, water lines, traps, fittings, and faucets.

**Air Conditioning:** Roof mounted 110V compressor, evaporator, capacitors, heat strips, heat pump, accumulator, expansion valve, receiver dryer, blower motor, switches, electronic module, pressure cycling switch, ducts, control panel and p.c. boards, relays, thermostat, condenser, and fans.

**Range and Oven:** Burner assembly, thermostat, thermocouple, burner valves, microwave oven, power head, and p.c. board.

**L.P. Gas System:** Regulators, gas bottles (except valves and gauges), mounting brackets, pigtails, L.P. lines, and fittings.

**Heating System:** Furnace ignitor, burner assembly, thermocouple, gas valve, thermostat, blow motor, and p.c. board.

**Refrigerator:** Thermostat, thermocouple, cooling unit, burner assembly, ignitor, and p.c. board.

**Auxiliary Powerplant/Generator:** All internally lubricated parts of the powerplant engine; plus the starter, switches, generator electrical components, converter, inverter and head if damaged by the failure of an internally lubricated part.

**Factory-Installed Hydraulic/Electric Leveling Jack & Slide-Out Room Units:** Motor, pump/jack assembly, lines, fittings, cylinders, electric motor, worm gear, electric switch, and wiring harness.

## Optional Coverage Only – Surcharge Required

**Diesel Engine Package: Engine** All covered engine parts listed in Gasoline Engine plus fuel injectors (except for wear and tear and contamination), fuel injection pump, and fuel heater.  
**Turbocharger** All internally lubricated parts contained within the turbocharger housing. Turbocharger housing is covered if damaged due to the failure of internally lubricated parts.

**Deluxe Component Coverage:** Ice maker, trash compactor, central vacuum cleaner system, rear monitor system, dishwasher, kitchen center, washer/dryer, if factory-installed or if dealer installed and meets all manufacturer specifications.

**Motorized Step:** Motor and control module.

**Audio/Video:** Factory-installed TV (29" or less), antenna motor, VCR, DVD, surround sound speakers, and stereo.

**Includes Seals and Gaskets for Covered Components**
