# Worry-free travel with every mile you drive

**Rental Reimbursement:** We will reimburse **You** up to fifty dollars (\$50) per day when a **Breakdown** covered by this contract results in **Your Vehicle** being inoperable and kept overnight. **We** provide up to six (6) days for a maximum of three hundred dollars (\$300). **We** will pay for rental expenses only while **Your Vehicle** is being repaired by an authorized repair facility. **You** must rent the vehicle only from the repair facility or licensed rental agency, and **You** must have verifiable receipts. No **Deductible** applies to this benefit. This benefit is not payable if **You** have other substitute transportation coverage available.

**Towing:** We will reimburse **You** up to a maximum of one hundred and fifty dollars (\$150) per occurrence for actual towing charges that are in excess of any applicable reimbursement from the manufacturer, auto club, or insurance company. No **Deductible** applies to this benefit. The above is not payable if **You** have other towing coverage available, unless the towing charge exceeds the other coverage.

**Road Service/Service Call:** Service benefits are payable to **You** up to one hundred dollars (\$100) per occurrence.
