

# Protect Against the Unexpected

## MasterTech Ultra covers you at every turn.

### Rental Reimbursement:

When **You** have a failure due to a **Covered Part** which requires **Your Vehicle** to be held at an authorized repair facility overnight, **We** will reimburse up to thirty dollars (\$30) per day for 6 days not to exceed one hundred eighty dollars (\$180) per occurrence, from a licensed rental facility. The above is not payable if the **Contract Holder** has other substitute transportation coverage available. Rental reimbursement is available on street legal, on-road **Vehicles** only. **You** must incur this expense between the date of the **Breakdown** and the date on which the repair to the **Covered Part** is completed.

### Emergency Road Service:

**We** will reimburse **You** for emergency road service labor charges up to a maximum of fifty dollars (\$50) per occurrence. These charges only apply to labor performed at the scene that is required to rectify situations involving **Your Vehicle**, such as the following: out of gas, flat tire, or battery discharged.

### Pickup:

When a **Breakdown** occurs and makes **Your Vehicle** inoperable, **We** will reimburse **You** for **Your** actual incurred pickup cost up to a maximum of one hundred fifty dollars (\$150) per occurrence.

### Transferable:

The **Vehicle Service Contract** may be transferred to a new owner when the simple guidelines, outlined in the **Vehicle Service Contract**, are met.

### Warranty Deductible Paid:

Subject to the **Vehicle Service Contract Deductible**, **We** will pay **You**, up to one hundred dollars (\$100), for the **Deductible** paid on factory warranty repairs only when the repairs performed are due to a covered failure of a listed part under this **Vehicle Service Contract**.

### Emergency Travel Expense Reimbursement:

Payable when **Your Vehicle** listed in Part I (Proof of Registration) has a **Mechanical Breakdown** 100 miles or more from **Your** primary residence. **You** are then eligible to qualify for reimbursement up to five hundred dollars (\$500) maximum for emergency travel expenses to return to **Your** residence or destination and return to pick up **Your Vehicle** after repair. Emergency travel expenses include commercial lodging and meals (incurred in the vicinity of where the **Breakdown** occurred) and rental of a replacement vehicle obtained from a licensed car rental agency or the repair facility, substantiated with verifiable receipts. Lodging and meals are limited to one hundred dollars (\$100) per day for 5 days, not to exceed five hundred dollars (\$500) per occurrence.
